The Garden Equation: How to Turn Your Garden into a Delightful Part of Your Lifestyle

By Sally Tierney

Foxrock Publications, United Kingdom, 2015. Paperback. Book Condition: New. Revised with Bigger Font and M ed.. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Every gardener dreams of having a delightful garden. I know this is true: every year hundreds of thousands of people, just like you, visit gardens for pleasure up and down the country. Yet in reality the garden at home is often seen as an encumbrance that takes up too much of your time and energy. Keeping on top of it becomes something you are unable or willing to put the necessary time into because you have other commitments - work, travelling, caring for the family or enjoying retirement. Perhaps you know all too well how that feels? What is really happening is that your garden is out of tune with you and your lifestyle. By this I mean that your garden requires more time to look after than you have available. This situation occurs quite often and it does not come from a lack of effort, enthusiasm or horticultural expertise. I believe, based on eighteen years experience as a professional garden designer, that this happens because you have not based...
