With the latest installment in the series, GTA V, Rockstar Games has taken this sensation to the next level, bringing in lots of new things and an amazing storyline that gives the game a great appeal without making the gameplay seem linear in any way. There is even a GTA Online mode where you can join other players in the mayhem that is this game, and mess up the huge world of San Andreas. In this game guide, I am going to tell you all you need to know about the game in order to hit the game running. Whether you re playing it on the older consoles like the Xbox 360 and PlayStation 3, a PC, or even the newer consoles like the Xbox One and the PlayStation 4, the experience is going to be nothing short of amazing. So get ready for the ride of your life with this brilliant masterpiece. And if you need any help, this GTA V guide is right here to walk you through anything!.
