Wildside Press, United States, 2004. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I had just finished breakfast and was filling my pipe when I got Bullivant s telegram. It was at Furling, the big country house in Hampshire where I had come to convalesce after Loos, and Sandy, who was in the same case, was hunting for the marmalade. I flung him the flimsy with the blue strip pasted down on it, and he whistled. Hullo, Dick, you ve got the battalion. Or maybe it s a staff billet. You ll be a blighted brass-hat, coming it heavy over the hard-working regimental officer. And to think of the language you ve wasted on brass-hats in your time! I sat and thought for a bit, for the name Bullivant carried me back eighteen months to the hot summer before the war. I had not seen the man since, though I had read about him in the papers. For more than a year I had been a busy battalion officer, with no other thought than to hammer a lot of raw stuff into good soldiers. I had succeeded pretty well, and there was no prouder man on earth than Richard Hannay when he took his Lennox Highlanders over the parapets on that glorious and bloody 25th day of September. Loos was no picnic, and we had had some ugly bits of scrapping before that, but the worst bit of the campaign I had seen was a tea-party to the show I had been in with Bullivant before the war started. The sight of his name on a telegram form seemed to change all my outlook on life.
