## FINDING MY WAY HOME: A MEMOIR ABOUT LIFE, LOVE, AND FAMILY (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The story of a single woman in her late 20 s, living in Boston in the aftermath of 9/11. Cassie has suffered a physical injury, has endured a breakup, and has battled with each of her siblings leaving her feeling frightened, lost, and alone. She decides to drive across the country during her summer break, and along the road she discovers some of her own flaws that have lead to her current state of sadness. Still nursing the wounds from a pulled hamstring that crippled her only two weeks prior to the Boston Marathon, Cassie felt as though she was physically deteriorating as well. Desperately envious of the lives of her friends who had recently married, she felt alone and decided to capitalize on her loneliness. She resolved herself to the fact that being alone might be her destiny, so she had to find a way to nuzzle up to the fearsome bear of solitude. Thus she decided that she would pack up and entertain herself by listening to the stories of strangers as she introduced herself to the natural wonders of America s country sides. Though she only physically drove for four weeks taking her 10,000 miles-from Boston across the open lands of the Midwest and through the Northwest region of America down to Los Angeles then back home through the southern states--her travels lead her down a path of self discovery that unveiled the short history of her own life. Alone and fearless of her physical surroundings, her frank conversations with herself caught on tape were more startling than any spooky sounds in the night. As each night passed she was able to sleep more soundly having shed the weight of...
