

## Cutting Activities

By Sandi Rickerby Sue Lambert

Didax Educational Resources. Paperback. Book Condition: New. Paperback. 48 pages. Dimensions: 10.7in. x 8.6in. x 0.3in. This is one of a four book series that is designed to give students practice in a range of early reading, writing and number activities as well as to develop perceptual and fine motor skills in the early years. Cutting Activities contains reproducible activities providing students with fine motor skills practice as well as early perceptual skills practice. Using this book, the students will make jigsaw puzzles, draw symmetrical shapes and construct given pictures, and do much more! The worksheets can be used to motivate students to work independently, increase their concentration span and develop their ability to work in an orderly fashion. The worksheets are bold, uncluttered and visually appealing to young students. They contain instruction in graphic form and can be used to teach a new skill or to reinforce and consolidate those already taught. Also in this series are Addition to Five, Counting and Recognition to Five and Early Visual Skills. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
