Thomas Nelson. Paperback. Condition: New. 272 pages. In this five-session video Bible study (DVDdigital video sold separately), Wendy Blight shares a message for every woman who craves to truly understand, walk confidently in, and live out Gods unconditional, extravagant, lavish love. Its a love she didnt understand, let alone live, until she exposed her heart to the words of 1 John. As she spent months and months with this letter, it transformed her heart in ways she could not have imagined. Johns words are especially relevant today because he wrote to an audience living in a culture not unlike our own. Through his unique perspective as Jesus last living disciple, John sets forth what it looks like to love and live authentically for Christ. At times, his words are tender and encouraging. At other times, they are quite challengingand may even seem harshas he exhorts us to lead lives of obedience. John teaches truth in no uncertain terms. But those truths are also bathed in and delivered from a heart of love. The study is for any woman who longs to know in her head that God loves her but still struggles in her heart to personalize that love. Who wonders what it would be like to live in the absolute assurance of Gods perfect love. Who wants her attitude and actions toward others to be transformed by truly comprehending the depths of Gods love for her. Through this study, Wendy will help that woman: Develop a more intimate understanding of Gods love that will soften and overtake her heart to more fully trust and obey Him. Cease striving for perfect and live in the fullness of the redeeming love of the One who is perfect. Gain biblical wisdom that will help her recognize, interrupt, and confess her sinful thoughts...
