Oxford Dictionary of Scientific Quotations (Hardback)

By -

Oxford University Press, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. This Dictionary is part of the Oxford Reference Collection: using sustainable print-on-demand technology to make the acclaimed backlist of the Oxford Reference programme perennially available in hardback format. The original words announcing great scientific discoveries, from the first Eureka! to the cloning of Dolly the sheep, can all be found in this fascinating addition to the world-famous Oxford Quotations range. An essential reference tool, put together over 15 years with the assistance of a distinguished team of specialist advisers, it includes full author descriptions, exact sources, and a word-finding index for easy reference. Scholarly but accessible, it also presents the human face of science, as scientists reflect on achievements and failures in their own lives and those of others. Darwin not only describes natural selection, but carefully assesses the pros and cons of marriage, while James Clerk Maxwell constructs an electric but poetic Valentine as well as his demon . From Archimedes to Einstein and beyond, the Oxford Dictionary of Scientific Quotations charts the progress of the great ideas of science. Schrodinger's wave-mechanics is not a physical theory but a dodge - and a...
