Paperback. Book Condition: New. Not Signed; The unforgettable new novel from Lucy Robinson. Annie has a secret. But if she's not going to tell, we won't either. It's a heart-breaking secret she wishes she didn't have - yet Annie isn't broken, not quite yet. Especially now there's someone out there who seems determined to fix her. Kate has run away. But she's not going to tell us why - that would defeat the point of running, wouldn't it? It's proving difficult to reinvent herself, however, with one person always on her mind. Scratch beneath the surface and nobody is really who they seem. Even Annie and Kate, two old friends, aren't entirely sure who they are any more. Perhaps you can work it out, before their pasts catch up with them for good. A gripping and unpredictable story of two young women running from their pasts. We defy you to guess the twist. Lucy Robinson is the author of *The Greatest Love Story of All Time*, *A Passionate Love Affair with a Total Stranger* and *The Unfinished Symphony of You and Me*. Lucy worked in theatre and then television documentaries before starting a blog for Marie Claire about her laughably unsuccessful foray into the world of online dating. She did not meet a man during this time but she did become a novelist: every cloud has a silver lining. She now lives in Bristol with her partner, The Man, whom she met when she took off to Buenos Aires to become a bohemian writer in 2010. Praise for *The Day We Disappeared*: What a book! Fabulous characters, dark secrets and a clever, compulsive plot that will take you completely by surprise. Read it! (Lucy Diamond, Sunday Times top 10 bestselling author of *The Year of Taking Chances*). Lucy Robinson has managed to...
