

Sir Francis Drake on the Spanish Main - 1585-86

Filesize: 1.22 MB

Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.

Osprey Publishing. Paperback. Book Condition: new. BRAND NEW, Sir Francis Drake on the Spanish Main - 1585-86, Angus Konstam, In 1585, war between Spain and Elizabethan England was all but inevitable. Queen Elizabeth's spymaster Sir Francis Walsingham proposed a pre-emptive strike designed to paralyze Spain's economy by striking at the Spanish Main - the heart of her overseas empire. The expedition gathered at Plymouth with Sir Francis Drake in command of 21 ships and 1,800 soldiers, before setting off on its long voyage. Drake struck first at the Canary Islands, before heading for Santo Domingo, the capital of Hispaniola and the oldest Spanish city in the New World. Having held the city to ransom, Drake sailed on to his next target - the treasure port of Cartagena, where emeralds and gold were gathered before being shipped to Spain. Heavily outnumbered, Drake and his men stormed and captured the city before plundering it and holding it to ransom. His ships full of Spanish treasure, Drake then turned towards home, returning to a hero's welcome, with his daring raids having provided the spark that finally ignited the war between England and Spain.
