That stock trades, government secrets, and nuclear codes are safe? .think again. Robert Smiles Smylie is not a genius.He feels like he s surrounded by them, though, from his software mogul dad to his brainy girlfriend to his oddball neighbor Ben, a math prodigy. When Ben cracks an ancient, real-life riddle central to modern data encryption systems, he suddenly holds the power to unlock every electronic secret in the world and Smiles finally has a chance to prove his own worth. Smiles hatches a plan to protect Ben from the government agents who will stop at nothing to get their hands on his discovery. But as he races from a Connecticut casino to the streets of Boston, enlisting the help of an alluring girl, Smiles comes to realize the most explosive secrets don t lie between the covers of Ben s notebook they re buried in his own past. Eerily close to reality and...
