Little, Brown Book Group, United Kingdom, 2018. Hardback. Condition: New. Language: English . Brand New Book. Everyone has socks. In fact, most people love socks. That said, it's not a subject we discuss openly other than with our friends; we just take it for granted that everyone has lots of socks and has their own socksual preferences. Most of us would admit to having enjoyed a wide variety of socks. We have our favourite socks, of course, but also socks for all sorts of occasions: novelty socks, casual socks, outdoor socks, socks that are a bit racy, socks we admit to and socks that are just downright dirty. Some people are fastidious when it comes to socks, never entertaining the thought of odd socks, while others are definitely on the fifty shades of socks spectrum. Whatever kind of socks you're in to, we hope you find that this guide stimulates your imagination and reassures you that it's OK to love all socks.
