Brand New Book ***** Print on Demand *****.So many people dream of it; so few end up taking it: an extended Sabbatical. What would it mean to you, if you could take six months unpaid leave and dedicate this time to traveling (with your family)? You might think that this is impossible, impractical or not worthwhile. You can remove all the hurdles, including - I would never get approval from my manager, I can't afford it, It's the worst timing, I can't pull my kids out of school, People would say I'm crazy, I wouldn't know what to do, and I don't know where to start. After coming back, they make two eye-opening discoveries: first, they benefit individually and collectively as a family far beyond their wildest dreams.
