

Time Pieces for Trumpet, Volume 1: Music through the Ages in 3 Volumes

By Paul Harris

Associated Board of the Royal Schools of Music, United Kingdom, 1996. Sheet music. Condition: New. Language: English . Brand New Book. Time Pieces is an exciting new series of repertoire which explores the wealth of music written from the fifteenth century to the present date. The pieces are presented chronologically within each volume and all include the year in which they were written too, so you can map your journey through time! Time Pieces for Trumpet is a three-volume anthology providing a graded selection of well-crafted and idiomatic arrangements, as well as some original pieces, for trumpet and piano. All of them have been carefully written by Paul Harris and John Wallace to adhere closely to the technical parameters of key and note ranges for the early grades whilst providing simple piano accompaniments for the teacher to play. From Monteverdi to Scott Joplin and from Handel to Shostakovich, Time pieces for Trumpet allows the pupil to get a real feel for the different styles of music through time and will prove an invaluable, varied source of further study and recital repertoire.
