TREATMENT OF HEPATIC METASTASES OF COLORECTAL CANCER

Book Condition: New. Publisher/Verlag: Springer, Berlin | "The experience of each one of us is the treasure of all." Gerard de Nerval In 1952, J. L. Lortat-Jacob [2] reported the first programmed right hepatectomy, which had been carried out for a hepatic metastasis of colorectal origin. Today, excisional surgery of the liver has become a routine procedure, with a low mortality and morbidity. The varieties of excision have increased and been modified in accordance with the site and...

Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.
