We will be satisfied with your honest and intelligent verdict. If the wealthy autocrat, the scheming politician were attempting to deprive you of the just results of your own labor, thereby taking the bread and butter from Your wives and babies, we would rally to your support. And we are trusting in your sense of justice to arouse you to action in our behalf. We helped pay for printing them because we knew you needed and wanted them, and would appreciate our sacrifice in sending them to you. Now in return we are only asking you to do three things for us; first, read our (the laboring man s) side of this question, which is to follow; second, write us what you think of the question, asking any questions you like about the technical mining features of the controversy; third, Go to the polls on election day and fight for the side you think is in the right. We will be satisfied with the outcome if you will do these things. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
