In "How to Ace the Brain Teaser Interview", bestselling career author John Kador presents a wide variety of questions, and shows you the type of responses interviewers want to hear. Inside, you'll find: 151 brain teasers used by human resources departments across the country; suggestions for handling business cases; basic hints for solving logic and puzzle questions; proven strategies for finding creative answers every time; and, helpful appendices with bonus questions and extra resources. Kador not only tells us the answer to this brainteaser and many others, he explains how each question can launch an incisive interview conversation' - Ed Milano, VP of Marketing, Design Continuum.
