Australia Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Life does not come with a how-to manual. Neither did college. Until now. During his time as a college administrator, Zach Rinkins grew tired of seeing students enter college and graduate with debilitating debt. It also concerned him when some students ignored campus resources designed to help them accomplish their goals. These factors, combined with his own experience as a student, caused Zach to have an epiphany: College is not an experience you go through. It is an experience you grow through! I Am College Material! Your Guide to Unlimited College, Career, and Life Success (Australia Publishing) provides practical advice and tips to help students create the life they deserve. It highlights academic tips, career advice, financial wisdom, the real scoop on romantic relationships, and everything in between. It also offers solutions for everything from registration to graduation. The book includes interviews with college presidents, deans, billionaires, students, and a U.S. Cabinet Secretary. It features advice and tips to create the life of your dreams. Chapters cover various topics including: \*Life, liberty and the pursuit of an education \*How to look after your mind, body, and soul \*How to network to get yourself known \*Are you ready for a 21st Century Career? \*Finding your way to an A and much more.
