Bolinda Audio, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In 1992, Victor Bockris s celebrated biography was the first to recognise Richards s pivotal role in the legend of the Rolling Stones. Now that book on rock s most incredible survivor has been expanded. Here are the true facts behind Richards battles with his demons: the women, the drugs and the love-hate-relationship with Jagger. His struggle with heroin and his status as the rock star most likely to die in the 1970s. His scarcely believable rebirth as a family man in the 1980s. Illuminated with revealing quotes and thoughtful insights into the man behind the band that goes on forever.
