## Immortality: Testing Civilisation s Greatest Promise (Paperback)

By Stephen Cave

Biteback Publishing, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Who wants to live forever? According to Stephen Cave, we all do - every single one of us. And the evidence is all around. Eluding the Grim Reaper is humanity s oldest and most pervasive wish. It is embedded in our very nature and provides the real driving force behind every aspect of human civilisation: science, agriculture, architecture, religion, the arts, fame and family. From freeing your soul to freezing your brain, all these attempts to defy death fall into four simple categories - the four paths to immortality. Ranging across continents and cultures, from ancient Egypt to cutting-edge laboratories, Immortality raises the curtain on what compels us humans to keep on going. The four paths are ancient, but science is now showing us - for the first time in human history - whether any of them can really lead to infinity. Cave investigates what it would mean for our lives if they can - but also if they can t. If the paths up the Mount of the Immortals lead nowhere - if there is no getting to the summit - is there still reason...
