Brand New Book ***** Print on Demand *****.There is something absolutely magical about a child who is embarking on the amazing journey called kindergarten. They are so innocent, pure, and impressionable. They are at an incredible stage in their lives-so young, yet so very ready. This book was written as a gift to parents whose children are at this wonderful stage. My intention is to share with you every insight that I have gained as a mother and as a teacher. Whether this is your first child going into kindergarten or your last child-even if you ve had a gap in time where you haven t been in a kindergarten classroom for a while-this book is for you. Enjoy!.
