Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Gustave Dore (illustrator). Language: English . Brand New Book ***** Print on Demand *****.The Raven FULLY ILLUSTRATED Edgar Allan Poe Illustrated by Gustave Dore The Raven is a narrative poem by American writer Edgar Allan Poe. First published in January 1845, the poem is often noted for its musicality, stylized language, and supernatural atmosphere. It tells of a talking raven s mysterious visit to a distraught lover, tracing the man s slow fall into madness. The lover, often identified as being a student, is lamenting the loss of his love, Lenore. Sitting on a bust of Pallas, the raven seems to further instigate his distress with its constant repetition of the word Nevermore. The poem makes use of a number of folk, mythological, religious, and classical references. Poe claimed to have written the poem very logically and methodically, intending to create a poem that would appeal to both critical and popular tastes, as he explained in his 1846 follow-up essay, The Philosophy of Composition. The poem was inspired in part by a talking raven in the novel Barnaby Rudge: A Tale of the Riots of Eighty by Charles Dickens. Poe borrows the complex rhythm and meter of Elizabeth Barrett s poem Lady Geraldine s Courtship, and makes use of internal rhyme as well as alliteration throughout.
