It s a cross-town rivalry game against the talented and tough Dynamo, but Alex and his team are confident because they know what each player should be doing on the field. This fully illustrated book is intended to help youth soccer players understand playing positions and the basics of 7 vs. 7 formations. iPlaySoccer! Books are instructional stories focused on advancing youth player development. The illustrated children s books teach foundational concepts and vocabulary in a fun way that allows children, parents and coaches to develop together in the beautiful game. The series is not intended to replace the instruction of a coach or the learning derived from actual play. Rather, the purpose of these books is to assist the player in mastering concepts as the game becomes more complex. Besides, the focus of iPlaySoccer! is on teaching children how to think independently, while also maintaining a collective understanding of the team during competition. Each title is not intended to supplant the instruction of a coach, or the time a child spends learning a sport by playing it. Rather, the authors purpose is to assist young players with their comprehension of sport in a way that is engaging, inspiring, and empowering.
