

An American Dream

By Jos Astorga

Outskirts Press, United States, 2008. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.A child becomes a teenager. A teenager becomes a man. A man ripens to maturity. It is an evolutionary process that requires courage and fortitude. It is an evolutionary process that, in the 21st century, requires survival. We live in incendiary times. We face an American evolutionary tipping point that could potentially determine the quality of our future. As I write this, elections are on the horizon; there are mass job losses, home losses, and business failures; and pricing on consumer goods is spiraling out of control according to the latest headlines. Add to this that American soldiers are at war with a deadly chameleon, an unseen enemy on foreign soil - for now. It is the year 2008. A subplot is simultaneously taking place that we must acknowledge. It is our personal evolutionary tipping point. There is so much disloyalty, greed and violence at all levels of society that it seems our country has lost all of its bearings and our countrymen are taking pills to ease the confusion. Since we can't simply fix society...
