*Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## RANDOM IMAGINATIONS: A COLLECTION OF ILLUSTRATED MUSINGS (HARDBACK)

ACC Art Books, United Kingdom, 2018. Hardback. Condition: New. Language: English . Brand New Book. This book is a reproduction of thousands of graphic images from a single sketchbook, drawn over the course of 27 years. As a way to challenge the approach of drawing what is in front of the artist, these freehand drawings are a collection of images from imagination and memory. What started as an exercise to break out of a design block, these images began on a single sheet and then became a visual journey and exploration of landscapes, everyday items, architecture, abstracts, and compositions. Like the original sketchbook, Random Imaginations is a visual catalog of countless subjects and visions, to be used as discovery, inspiration, or just casual viewing. The idea was to publish a reproduction of a sketchbook of drawings that can be used as a visual resource and inspiration--a companion book rather than being a how to or instructional book. It is like a photo album of freehand drawn images and is meant to be an enjoyable book to have by your side. .
