

Jack the Ripper: From the Cradle to the Grave (Paperback)

Filesize: 3.37 MB

Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ida Herman)

JACK THE RIPPER: FROM THE CRADLE TO THE GRAVE (PAPERBACK)

AUTHORHOUSE, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.You ve never read a Ripper book like this. Christian was born in 1852. He carried out a sexual attack on a local girl and so fled to London to avoid being lynched. He and best friend Jimmy became trainee surgeons with a nefarious organization (The Firm). Both men fell in love with the same woman. Christian later illegally married her and further on became a whoremaster. In 1888, after he found out his wife had had a long sexual affair (and a child) with his best friend, his drug use and rage led him to release his wrath upon the prostitutes he formerly protected. Lauretta his wife kept a diary writing about him realizing she was married to Jack the Ripper. After he brutally murdered numerous women usually for a reason as it was not random, he realized there was one loose end: Jimmy s son. Thus, members of The Firm were hired to murder him secretly and dispose of the body. In 1913, the Ripper died after suffering via a STD. After his death, his family found a stash of money in his favourite armchair. His family lived on without him, and Laurretta (the hero) didn t pass over until 1934.
