Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is impossible for me, feeling and watching the eternal tidal currents of liberty and individual life against tyranny and the type, which are clashing and rearing up their highest crimsoned waves at this hour, to publish without some word of deprecation a book of poems so personal for the most part, and reflecting my own too easy taste of freedom rather than my sense of the world s struggle towards an age and universe of it.
