MAYBE RIGHT, MAYBE WRONG (PAPERBACK)

Prometheus Books UK, United States, 1992. Paperback. Condition: New. Language: English . Brand New Book. This captivating book affirms a child's ability to think, to seek information, and to question why? Children should be given information, not dogma, and tools for critical thought, not holy books, asserts Dan Barker. *Maybe Right, Maybe Wrong* teaches children important humanistic ideas. Andrea, the book's main character, distinguishes between rules and principles, finds that there is not always a right thing to do, and realizes that sometimes the right thing is to choose the lesser wrong. Her most important insight: Regardless of one's own beliefs, you should respect everybody's human rights. Through Andrea, Barker painlessly teaches situation ethics to children. *Maybe Right, Maybe Wrong* doesn't speak down to kids, but uses simple language and fun illustrations to make a tough topic understandable.
