In The Ultimate Manual to Microsofts Latest and Best Operating System, you'll learn everything that there is to know about Windows 10. When the upgrade first became available users were a little skeptical, they weren't sure if the free upgrade was going to be worth the hassle. Chances are you have heard both good and bad about Windows 10. Many claim that it is simply a combination of Windows 7 and Windows 8. What they don't tell you is that it rolls all of Windows 7 and Windows 8 amazing features into an easy to use interface. In the first chapter of this complete guide, you are going to learn why you should take advantage of this free upgrade today. Free Upgrade Personalized Start Menu Customizable Privacy Settings Microsoft Edge Cortana Hidden Features Easy to use Once you have decided to take advantage of this free upgrade you will want to discover everything that it has to offer. One of the amazing features that comes with Windows 10 is the customizable privacy settings and the personalized start menu. In a day and age when identity theft is a real threat being able to tweak the privacy settings allows you to protect vital information. With Windows 8, Microsoft did away with the classic start menu to the dismay of users everywhere. Windows 10 not only brings back the start menu, it even offers you the ability to change things from appearance to color,...
