

Recognition Denied: The Untold Story of a Daring World War II Night Parachute Jump by Darby's Rangers Into a German-Held Airport (Paperback)

By Marsha Henry Goff

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The only parachute jump by Darby's Rangers in World War II is a closely-held secret, although rumors of the mission have been whispered for decades. I have searched in vain for written documentation, but the manner in which I initially - and subsequently - learned of the mission is incontrovertible. Reading this book will inform you of everything I know about the drop behind enemy lines. I am convinced it happened. You may decide for yourself.
