BEPPE, GUENDALINA AND THE EGG HUNT (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Patrick Sauvan (illustrator). Language: English . Brand New Book ***** Print on Demand *****. At Easter, eggs are very popular, and in some countries the children even play a game called egg hunt. The game is simple: chocolate eggs are hidden in the garden and the children have to find out where they have been hidden. Egg hunting can be really funny if it is Easter, if the eggs are made of chocolate, and, if there are children who want to play the game. But if it is not Easter, if the eggs are real eggs, and if there are no children who want to play the game, then it is a completely different story, and Beppe wasn't really expecting to have to search all of his land to find out where Guendalina, the goose he bought at the farmer market, was hiding her eggs!.
