Skyhorse Publishing, United States, 2007. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. For many golfers, the innocent thrill of striking a drive clearly, avoiding a deep sand-trap, or holing out an unlikely putt is all they need to make a round (or a whole year) of golf memorable. But there s a group of modern players in search of something more. They ve rediscovered the magic of the game in extreme golf, and their adventures are about to inspire golfers everywhere. Here are players like Andre Tolme, who decided to turn Mongolia into a par 11,880 course and Torsten Schilling, who spends his weekends teeing off from the side of his boat aiming for sites back on shore. From New Zealand s naked open to golf in Antarctica, Duncan Lennard describes a world at the very edge of the sport. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports--books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
