Reviews

Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

Brand New Book ***** Print on Demand *****.Excerpt from All About California: And the Inducements to Settle There They also supplied Europe with provisions and the raw material for manufactures much cheaper than they could be obtained from other sources. Thus all parties were benefited. Migration, as a source of wealth, has not yet ceased, and will not cease for many years to come. It is proper that the enterprising and industrious should migrate from old States, which offer no good chance for them, to new countries, which present more favorable opportunities. Advantages of California for Emigrants. The present population of California is sparse; and there is the more room therefore for the growth of trade, and more opportunities for new comers to establish themselves in business. It is far better for the emigrant to go to a new country than to an old one; better to go to one where the population will double than to one where it will increase only twenty per cent, in five years. The population of Illinois is 2,500,000, and that of California is 600,000. An addition of 1,000,000 is only forty per cent. to the former, and one hundred and sixty-six per cent. to the latter; and the increase in the value of land and in the amount of trade is about in the same proportion. The denser the population the smaller will be the relative growth and the profits necessarily accompanying growth. Other things being equal, the emigrant should always prefer the sparsely-settled States, and California has in this respect a decided advantage over the more populous country in the northern part of the Mississippi Valley. The following are some of the advantages of California for...
