Is it possible to be one of the world's most dangerous whistleblowers and still make a killer meatloaf? Becky Taylor is about to find out. As a stay-at-home mom with an adorable four-year-old son, Becky Taylor knows she has her hands full. Even though she's juggling her husband's important career ambitions, competitive playgroup moms, and a sister who won't stop reminding her of the dreams she once had to fight for social justice, Becky still feels something is missing. When she discovers a disc with damaging information about a megabank, Becky begins covertly moonlighting for one of the world's most controversial websites, exposing state and corporate secrets. But with the Feds hot on her trail, increasing doubts about the motivation of the mysterious head of the website, and the growing difficulty of leading a double life, Becky may be embroiled in a world more dangerous than she ever imagined.
