PIG TALES (PAPERBACK)

FABER FABER, United Kingdom, 1998. Paperback. Condition: New. Main. Language: English . Brand New Book. Pig Tales is a brilliant satirical novel about a stunning young woman working in a beauty massage parlour. She enjoys extraordinary success at bringing home the bacon (in part due to her increasingly rosy and irresistible backside) until she slowly metamorphoses - into a pig. Rejected by her boyfriend, left to wander the sewers and forage for food in public parks, she takes up with a werewolf with insatiable appetites. They share everything (pizza is a particular favourite; she gets the pizza, he gets the delivery boy) until someone alerts the authorities and tragedy strikes . . . Gender, politics and social hypocrisy all come under scrutiny in this entertaining and enlightening novel. Pig Tales is a Metamorphosis for the present day, a dark fable of political and sexual corruption, and a grim warning of what can happen in a society without a soul.
