Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mastectomy Moments was forged in the fire of Judith s spirit. Her words take us into and out of the jaws of cancer; through the loss of her breast; and into the realm of mystery, where the body heals itself. Judith describes her Healing Health Plan with its life-affirming physical, emotional, mental and spiritual components. Gifts From Cancer, Chapter 21 is stunning in its declaration of gratitude. This book is tender, unsparing, informative and humorous. BONUS: In this book, you will enjoy a generous sampling of Judith s beautiful photography. She has integrated 23 of her nature photographs to accent and enrich her prose. Mastectomy Moments is a masterful, fully integrated reflection of the most complex, layered, seemingly all too common C word in America. I love the way Judith expresses herself on such a complicated, sacred, precious topic. There are women all over the world who would benefit deeply from reading this book it is poignant, funny, informative and beautifully written. MaryAnne Church Trettenero, Occupational Therapist, Northwest Hospital in Seattle Congratulations to Judith! She has turned what could have been an overwhelming journey into an energetic, life-giving adventure. I commend her! Nichole Farr RN, LMP, CIMI Judith has written a wonderful book, at once a vulnerable, heartfelt, spiritual account of her journey through life threatening illness, as well as a down-to-earth guide, a toolbox that will be invaluable to many women navigating the tumultuous seas of cancer. I loved this book. Basha Brownstein, Cancer Thriver, Community Program Manager, Cancer Lifeline in Seattle.
