Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The time is ripe. Once a globally renowned statesman, Maxwell Hurst has been groomed for his place in history. The implication and installation of the New World Order is at hand even while nations are on the brink of war. Under the leadership of Archbishop Jeffrey Richards, Muslims, Christians, and Jews work relentlessly to pull together knitting a scarlet tapestry to cover the back of the Beast. The Puppet Prince is a look into the secret life of Maxwell Hurst, a man of destiny to be revealed in due time along with the not-so-secret life of his beautiful and popular wife, Marion, and their two children. Observe how the powers-that-be move the pieces into place to create what they perceive to be the salvation of their planet. Just as the hallmark of their plan is set to be implemented, mysterious supernatural messages are received from multitudes of colorful glowing Orbs descending and hovering over the earth. A dire warning is delivered to every man, woman, and child before the Orbs ascend back to the heavens from whence they came. Not to be deterred by these celestial events, Maxwell s elaborate inauguration as the first president of the United Sates of the World is set to take place in the newly constructed Temple in Jerusalem. With the world in attendance through Telecom, Maxwell is inaugurated by an unexpected celestial being. Her declaration of his royalty shocks the world to the core and all hell breaks loose-literally.
