Intellectual Disabilities and Dual Diagnosis: An Interprofessional Clinical Guide for Healthcare Providers (Paperback)

By Bruce D. McCreary, Jessica Jones

Queen's University, Canada, 2014. Paperback. Condition: New. New. Language: English . Brand New Book. Contemporary policy in the care of persons with developmental disabilities is focused on social inclusion and equity. Healthcare professionals in the mainstream are tasked to ensure that their services are both available and responsive to caring for individuals. This clinical guide, written by a psychiatrist and a clinical psychologist with clinical and academic expertise, aims to outline relevant knowledge, skills, and attitudes needed to promote better health outcomes for people with developmental disabilities. The guide is organized into three sections and includes learning objectives and self-examination questions on content. The first section on knowledge covers definitions, etiological factors, health problems, mental health problems, and the service needs of individuals and their caregivers as they evolve over the lifespan. Section two focuses on skills including assessment, case formulations, interprofessional collaboration, and the provision of developmental services, psychosocial treatments, and biomedical treatments. The final section reviews attitudes related to the provision of empathetic support, respect for interprofessional collaboration, vigilance about neglect and abuse, and various special challenges in providing care. The authors also address informed consent, sexuality, parenting, and individuals in conflict with the law.

Reviews

Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication i have got read. Its been printed in an exceedingly basic way in fact it is simply after i finished reading through this publication where in fact changed me, change the way i believe.

-- Arielle Ledner

Most of these pdf is the best book readily available. It usually is not going to expense a lot of. Its been printed in an exceedingly easy way which is only soon after i finished reading this publication in which actually transformed me, change the way i really believe.

-- Hadley Haag
