

## Public Enterprises: Economics and Management, Vol. I

Filesize: 1.65 MB

### ***Reviews***

*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## PUBLIC ENTERPRISES: ECONOMICS AND MANAGEMENT, VOL. I

[DOWNLOAD](#)

Atlantic Publishers & Distributors (P) Ltd., 2011. Hardcover. Book Condition: New. India's sustained economic growth requires that all stakeholders, both in the public and the private sector, contribute their very best, so that there is overall development in the country. Public enterprises have a huge responsibility on them to excel in their fields and through their work to serve the national goal of socio-economic development. It should be their endeavour to maintain high standards so that these become best practices in the industry, setting benchmarks for other companies to emulate. Starting with a modest investment of ` 29 crore in 5 enterprises on the eve of the first Five Year Plan in 1956, enterprises in the public sector have steadily progressed to 246 in number with an investment of ` 5,29,95 crore till 29. This rapid growth of public enterprises has given rise to a number of debatable issues like the forms of organization, financing, price policy, governing boards, public accountability, goals and measurement of management, personnel management, financial management, industrial relations, efficiency and disinvestment. Public Enterprises: Economics and Management analyses these issues with a scientific outlook and provides suitable suggestions. Although references have been made about the experience of working of public enterprises abroad, the book is written primarily in the setting of working of public enterprises in India. Report of Ad hoc Group of Experts on Empowerment of Central Public Sector Enterprises (CPSEs), Guidelines on Corporate Governance for CPSEs, and White Paper on Disinvestment of CPSEs are given in Annexures. The book will be useful not only to the students of Economics, Commerce and Business Management but also the executives of public enterprises, government officials and parliamentarians deeply concerned with the setting up and working of public enterprises. Contents : Preface?VOLUME?1. Role in Economic Development; 2. Forms of...
