Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Lois Cormier II)

MARKED: WARFARE AND SIN CITY (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.EVE OF WARFARE Lycans, vampires, and cherubs. oh my. All Evangeline Hollis wants is to stay out of trouble long enough to lose the Mark of Cain, which drafted her into hunting demons for God. A former agnostic, she s still recovering from being the latest point of contention between the two men in her life-- Cain and Abel. Now she s working for a cherub who thinks putting her undercover as a housewife is the best way to ferret out a rogue vampire hiding in an idyllic Orange County, California residential community. Eve knows when she s being used as a pawn in the celestial political game. Now, she just has to figure out who s the greater threat: the vampire she s hunting, the cherub yanking her chain, or the two brothers vying to play the role of her spouse-- til death do them part. Which in her line of work, could happen any minute. EVE OF SIN CITY Sin City--Las Vegas--is home to humans and Infernals of all sorts: the good, the bad, and the ugly. If you ask Evangeline Hollis, good is in short supply, ugly might be amusing, but bad is most definitely her business. Eve is a Mark, a heavenly bounty hunter, and Las Vegas is her territory.
