

## Walt Whitman and the American Reader (Hardback)

---

By Ezra Greenspan

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In *Walt Whitman and the American Reader*, Ezra Greenspan casts Whitman as the central actor on the stage of nineteenth-century American literary culture - a culture redefining its democratic identity. Against the context of the major changes revolutionising the professions of printer, publisher, bookseller and author, he examines the connection between the bookmaking culture of mid-century and *Leaves of Grass*, and between the conditions for authorship and Whitman's career. The result is a far-ranging study of Whitman as a model of the nineteenth-century American writer writing for - and sometimes reacting against - the newly enfranchised, expanded reading public of his time.

### Reviews

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Ms. Fatima Erdman**

*This ebook is indeed gripping and fascinating. it had been writtern really properly and helpful. I am very easily could possibly get a satisfaction of reading a published publication.*

-- **Maude Ritchie**
