

The World Outlook of the Bible (Paperback)

By W Graham Scroggie

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In surveying with a view to appraising the missionary enterprise, it is right that we begin at the beginning, by considering what the Bible has to say on the subject, for if the missionary idea and purpose are not in the very warp and woof of Divine revelation, it is to little purpose that the Christian Church spends its time, talent, and money in an attempt to evangelize the world. That the missionary idea is to be found in the Bible no reader of its pages can deny, but there are comparatively few who know how dominating a place it occupies there. The warrant for the missionary enterprise is not dependent upon proof-texts, though these are many, but is to be found in the very texture of the Biblical revelation. Indeed, it is not an exaggeration to say that if all that relates to God's redemptive purpose for the whole world were to be extracted from the pages of the Scriptures, scarcely any-thing would be left.

Reviews

It is one of the best publications. It is among the most remarkable publications I have read through. Your lifestyle period will change once you complete reading this article publication.

-- **Crystal Rolfson**

Merely no phrases to describe. It really is really intriguing through reading time. I am happy to tell you that this is basically the greatest book I have gone through in my own lifestyle and might be the greatest book for ever.
