## The Art of Winemaking in America

By Grapes Into Wine

Alfred A. Knopf, United States, 1995. Paperback. Book Condition: New. 208 x 130 mm. Language: English . Brand New Book. As the first to write a basic book in English on winemaking from the winemaker's point of view, Philip Wagner has long been considered an authority on the subject, and his book American Wines and Wine-Making has become a bible for small producers and home winemakers in this country. Now, in this completely new version of that classic, Mr. Wagner takes into account the many dramatic changes that in recent years have revolutionized the American wine scene. With the knowledge that comes from his own experimentation, Mr. Wagner discusses the new, successful hybrids that have now made it possible to grow wine-producing grapes in far more areas of the United States than used to be considered feasible. Once again he covers all the basic technical information, including recent developments important to the small commercial winery and to the home producer?from the choice of the right vines to the vintage itself, the care of the new wines, and finally the bottling of the wine: red, white, and rosé, sparkling and sweet. There is a new chapter on concentrates for the growing...
