

The Digital Matrix: New Rules for Business Transformation Through Technology

By Venkat Venkatraman

LifeTree Media. Hardcover. Condition: New. 224 pages. Dimensions: 6.0in. x 0.2in. x 9.0in. Technology has changed the way consumers shop, communicate and consume media so profoundly, we feel like we are already living in the future. But the truth is, this is only the first wave of digital business transformation. Respondents to a recent survey of more than 900 business leaders in 12 countries estimated that 40 of the worlds largest companies will be displaced by digital disruption in the next five years. The healthcare, agriculture, fashion, energy and automotive industries and others will be transformed in much the same way that way Uber has upended the taxi industry, and Airbnb has made hotels irrelevant for millions of travelers. Most CEOs in these arenas have no clue how to respond to the opportunities and threats that now confront them. How might a Detroit automaker take the lead in robot cars How might a fashion company reposition with wearable technology How might the availability of real-time personal data change the way insurance companies and healthcare providers design and deliver their services The Digital Matrix: Rulebook for the Business of the Future has the answers they need. Author Venkat Venkatraman is a Boston University...
