Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from John Stuart Mill: His Life and Works A second edition of the Examiner of May the 17th having been exhausted in the course of a few days, it seemed better, instead of again reprinting the whole number, to extract from it the articles upon Mr. Mill that it contained, and to issue them, with a few additions and corrections, in a form more convenient for preservation. The alterations in the collection as it is here given, however, have intentionally been slight. Mr. E. B. de Fonblanque having lent me a number of very interesting letters addressed to his uncle, Mr. Albany Fonblanque, by Mr. Mill, I have made from them a few extracts which throw very welcome light upon his disposition and conduct during the earlier period of his public life; and Mr. Levy has inserted some paragraphs in his account of Mr. Mill's philosophical writings. For the rest, the papers have been left almost exactly as they were first written. No expansion or re-writing, compatible with the purpose of the present publication, would, of course, have rendered it in any way a sufficient exposition of Mr. Mill's life and work; and we considered it better to keep the collection as nearly as possible in its original shape. Written, with only three exceptions, by Mr. Mill's personal friends, and written when our grief at his loss - a grief that cannot easily be lessened - was freshest, these articles were primarily and almost exclusively designed as a loving tribute to his great worth as a thinker and teacher, and his yet greater worth as a man.
