First Edition Design eBook Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this comprehensive but easily understood book, Stewart Flaherty explains that regardless of how carefully you plan your future, it's a certainty that it won't unfold exactly as you expected. Which is why he advocates planning not only for what you hope to attain but also for what you don't anticipate. His firm's trademark Lifestyle Financial Management process helps clients identify and commit to the fundamental principles that enable sound financial decisions. author bio: Stew Flaherty is the Founder and President of Flaherty Consulting Group, an independent financial advisory based in Westerville Ohio. During his 40+ years as a financial advisor, Flaherty has helped guide hundreds of individuals and families towards a more secure financial future and ultimately, a rewarding retirement. His flourishing professional practice is founded on core principles that facilitate a sensible, sustainable approach to successfully managing money. Early on, Stew recognized that most financial plans suffered from an inherent flaw. While they looked good on paper, the plans lacked a practical connection to their clients' lifestyles. To overcome this defect, Flaherty pioneered lifestyle financial consulting, an innovative strategy that provides the critical integration. Clients are able to make sound, realistic financial decisions that align with what is most important in their lives. Importantly, these decisions are made within a secure and nurturing environment. The fact that so many of his clients are second and third generation families attests to Flaherty's dedication to the people who rely on him for objective, unbiased financial counsel. Parents in these families pass on meaningful financial lessons to their children, such as the principle that successful investing begins not with products but with developing a sound...
