Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. TC is a world-famous film star, producer, bit of a stunt man (he performs most of his own stunts), three times divorcee and deeply religious soul. He is so close to a nervous breakdown that he can t even speak his own name and instead, when talking to himself, uses only his initials. TC is talking to himself because his illustrious film career is on the decline, mainly because of his too often publicly stated commitment to a highly controversial, possibly dangerous, church. He is also talking to himself because he is starting to have doubts about his religion and, even worse, wondering if his life could be in danger. In talking to himself, TC is talking himself into hysteria. I AM TC is a blackly comic short work about fame and fortune and false gods, written by the wickedly satirical author of Iconic Voices and The Sun Also Sinks.
