You are a little submissive sissy that is who you are and you just love it don't you. I bet you have such dirty secret little fantasies, maybe your girlfriend or wife plays along with them, or maybe she doesn't. You will have to be careful what you wish for you know late at night when you have your little penis in your hands and your eyes are closed as you play with yourself, and your dirty little mind goes all out. Of course then you would be doing all the chores for her and she might even lock up your little penis as she realizes you are probably not worthy of fucking her anymore and she will have to find someone else to satisfy her sexual needs maybe even while you watch her satisfied...
