Although solidly part of the Greek world for as long as there has been one, Rhodes, located just off the coast of Asia Minor, was also from its earliest times a port opening to the civilizations of the Eastern Mediterranean, and Rhodes was involved in every significant moment in ancient Greek history. The island often played a key role in world events which far surpassed its small size, and at one point even stood side-by-side with much larger kingdoms as one of the main powers in the Greek world. In the Archaic and Classical periods, Rhodes often stood as a prime exemplar of the highs and lows of its fellow Greek cities, and as the largest island of the Dodecanese, Rhodes history is largely in line with that of the rest of those islands. Rhodes was first...
