By James McKaye

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Of the Birth and Death of Nations: A Thought for the Crisis In the primitive ages of the world, long before the dawn of history, while Prometheus lay chained to the rock, and the men of Shinar, dispersed by the divine anger, settled themselves in new habitations, there was sent into that far off eastern country, the earliest home of the race, a messenger from the celestial powers. With a virgin s head and face, she had the stalwart body of a lion and the strong wings of an eagle. She had been taught by those primeval intelligences and instructors of the gods, the Muses, and knew all the Wisdom of the ages, past and to come; and her commission was to stand on the waysides, and in the great thoroughfares of the people, and put questions - riddles - to the passers by. Questions, doubtless very apt, signi cant and necessary to be put, but often, to that infant race, most obscure, enigmatical, and difficult of right answer.
