

Migration resource centres: an initial assessment (Paperback)

By International Organization for Migration

United Nations, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. While there has been significant growth in the number of Migrant Resource Centres (MRCs) in recent years, there has been no attempt to date to examine the impact of these centres on migration management goals. This study aims to help bridge the gap by providing an overview of good practices employed by MRCs to help migrants move-their destinations in a legal, voluntary, orderly and protected manner. This assessment covers the work of 17 MRCs in Albania, Australia, Colombia, Croatia, the Democratic Republic of the Congo, Lebanon, Mali, the Philippines, Portugal, Slovakia, Sri Lanka and Tajikistan. It focuses on the role of MRCs in empowering migrants for development and self-protection. The assessment also covers MRCs strategies for ensuring their smooth operation and long-term sustainability.
